Program Highlights

- Fully Tailored, End-to-End Platform.
- AM Best "A-" Rated Market — Backed by a financially strong, trusted carrier
- One Submission for a Full Solution — One streamlined process, complete coverage
- Nationwide & Exclusive — Broad reach with specialized, client-tailored solutions
- Compliance — We adhere to the highest standards of state compliance while protecting your business.
- 24/7 Services — Claims and loss control services, always on
- Claims Advocacy — Our advocates specialize in cannabis and hemp business claims, providing direct access to a dedicated team who champion your interests, ensure fair outcomes, and streamline your path to recovery.
- Risk Services Platform that benefits the insured by focusing on best practices and employee training. Risk identification, preventative measures, and preparation to reduce the chance of loss, and extensive loss mitigation after the claim.
- Industry-Built — coverage designed specifically for cannabis and hemp risks, not adapted from generic programs.
- Flexible Billing and Payment Options

UNIFIED MARKETS. STREAMLINED ACCESS. STRONGER SERVICE.
Trusted retail brands you know, under one platform: **SPG Mainstreet.**

As part of Specialty Program Group's long-term growth strategy, Avant Supermarket Group and SafeHerb are uniting under one platform — SPG Mainstreet — offering comprehensive insurance programs for the specialty consumer retail business segment. This powerful platform features the proven combination of custom underwriting, proprietary pricing, an AI/technology-enabled selection process, loss prevention and control, and a nationwide distribution network, delivering exceptional value to brokers and their insureds.

Why Choose Us

Strong Relationships

With top-rated carrier partners, we customize coverage options and deliver precise pricing, giving you the market advantage.

Niche Solutions

Our underwriting agility in the fast-changing cannabis and hemp industry enables us to tailor coverages for the complex risks at every stage — from seed to sale— ensuring your clients always have comprehensive coverage.

Expert Guidance

We know every nuance of insuring cannabis and hemp operations: We navigate the complex landscape of a state-legal industry with specialized coverages for unique risks such as crop loss, product liability, and high-value inventory. Rely on our expertise to empower you to specialize in this class of business.
